## Financial Aid for Core Academic Program

The Bridge School strives to remain accessible to all families regardless of make-up, work schedules or life situations while maintaining our commitment to a cooperative model. In an effort to recognize and value each family's time, talents and financial ability, we offer several tuition and financial assistance options.

At this time, the financial assistance programs below are limited to students enrolled in the Core Academic Program. However, depending on student needs, we may have additional Scholarship Funds available and we encourage you to inquire at any time regarding possible tuition assistance for other programs.

### Yeargin Scholarship Fund – Need-Based Scholarship

The Yeargin Scholarship Fund offers a limited number of scholarships for families with demonstrated financial need. Yeargin Scholarships are awarded for a maximum of 50% of core tuition. Please complete Financial Aid Request Form *and* online Parent Financial Statement to apply.

### Sibling Discounts

#### **Core Academic Program**

Additional siblings enrolled in the Core Academic Program at The Bridge School are eligible for a 25% reduction in the standard tuition rate. Please complete Financial Aid Request Form to apply.

#### **All Other Bridge School Programs**

Additional siblings enrolled in all other Bridge School Programs are eligible for a 10% reduction in tuition or program cost. Please complete Financial Aid Request Form to apply.
