

BRIDGE to BROADWAY Ages 7-11*

We will be performing Magic Treehouse: Dinosaurs Before Dark this spring!

Students learn theater skills through rehearsing and performing a Junior Broadway musical! Classes consist of practicing songs, dances and scenes from the production, and participating in games and activities to learn about an actor's tools – voice, body and imagination. The session culminates in performances on June 3 & 4, 2022.

This workshop is for students interested in theater, as everyone is expected to participate in all activities; please discuss this with your child prior to enrolling. Parents are required to contribute volunteer hours toward the final production.

If you have questions about the play, the commitment or anything else related to this class, please contact Allison (allison@bridgeschoolcoop.org).
