## Tuition and Fee Policies Effective 2024

- All fees are non-refundable once paid.
- No tuition adjustments will be made for vacations, illness, or alternative program enrollments.
- Monthly payments for students enrolling after the initial enrollment period will be determined by the start date and time of enrollment. Mid-year enrollment will offer a proration of tuition costs, not the registration and school fees. An adjusted payment schedule and contract will be provided.
- A contract outlining the following refund schedule will be due upon enrollment. Tuition installments will be a contractual obligation as outlined below:
  - Withdrawal before July 1, 75% of tuition is refundable.
  - Withdrawal on or after July 1, 50% of tuition is refundable.
  - Withdrawal on or after September 1, no refunds will be given for tuition.

## **Pay in Full Discount**

Families will have the option to contractually “pay in full”. This means that you are contractually obligated to pay the full tuition for the year, even if it is in monthly installments, regardless of if you withdraw at any time.

The pay-in-full contract discount is \$330 discount for new families, \$660 discount for returning families. Pay-in-full discount cannot be combined with the sibling discount (e.g. pay-in-full discount applied to first student, but not to sibling account receiving sibling discount.)

## **Financial Aid Information**

The Bridge School strives to remain accessible to all families while maintaining our commitment to a cooperative model.

### **Sibling Discount**

Sibling Discounts will be automatically applied at time of enrollment. Sibling discount applies to tuition only. Discount is 15% for first sibling, and 10% for all additional siblings.

### **Yeargin Scholarship**

The Yeargin Scholarship Fund offers a limited number of scholarships for families with demonstrated financial need as funds allow. Yeargin Scholarships are awarded for a maximum of 50% annual tuition for the Core Academic Program only.
